

Alvin Kwan

Director, Asset Management (Head of Asset Management)
(Hong Kong)

Alvin is responsible for managing the performance of the portfolio and maximising the return of real estate investments in Asia. Prior to joining the Investment Manager, Alvin was the Head of Real Estate Asset Management in Asia of Wachovia Bank. He successfully built up the asset management team in Wachovia Bank and provided the platform to manage the equity and debt investments in Asia, covering China, India, Japan, Korea and South East Asia. Alvin is a veteran real estate professional who possesses over 20 years of working experience in a wide spectrum of real estate industries including property development, appraisal, sales and leasing, and property management.

Alvin is a Registered Professional Surveyor in Hong Kong and is an associate member of the Royal Institution of Chartered Surveyors as well as the Hong Kong Institute of Surveyors. Alvin is a graduate of Hong Kong Polytechnic University.
